**RE: 1) Architecture & Art Building, Prairie View A&M University
2) Forest Ridge Elementary School**

Dear Jack,

We would like to thank you and your personnel who were involved in the construction of the two projects listed above. College Station Electric manned the projects with competent, professional personnel who were timely and diligent in the performance of their work. Your project foremen were attentive to the project schedules and helpful when it came to solving problems on the job site.

College Station Electric has been responsive to all warranty issues on the projects, which have been few. We appreciate your dedication in assisting us in providing the clients with a quality product that achieved their goals and performs as designed. We look forward to working with College Station Electric on future projects.

Sincerely,
