Dear Sir or Madam:

We are sending you a copy of your subcontractor evaluation that was submitted by our Project Superintendent for the Bryan 3 project that you recently completed with HEB Construction. The evaluation scorecard is based on the categories listed on the subcontractor evaluation form, which helps us determine if your company has met our expectations regarding Time, Cost, and Quality of Work.

The construction feedback is intended to help your company as well as HEB understand how we can work better together to achieve our goal of delivering the perfect store.

Please review your subcontractor evaluation form and respond to each item that did not achieve a score of three (3). All comments and suggestions are welcome. Failure to respond may prevent you from bidding on future projects with HEB Construction.

Respectfully,

Sheldon Kotara
