

## **Our Unassailable Position**

**"The man who loves God is in an unassailable position. He has surrendered his own plans to the greater permanent plan of God, the responsibility for which is God's. He asks no favors of God but he does ask for the guiding and the strength of God that, through him, God's will may be achieved. There is nothing now that can happen which cannot be turned into good for him." - J.B. Phillips-**  
**Romans 8:28 And we know that to them that love God all things work together for good, even to them that are called according to *his* purpose.**
